Quick fact about Hong Kong: (<https://www.gov.hk/en/about/abouthk/facts.htm>)
Hong Kong is a Special Administrative Region of the People's Republic of China. At the south-eastern tip of China, Hong Kong covers Hong Kong Island, Lantau Island, the Kowloon Peninsula and the New Territories, including 261 outlying islands. Between Hong Kong Island and the Kowloon Peninsula lies Victoria Harbour, one of the world's most renowned deep-water harbours. From May to August, it is hot and humid with occasional heavy rain and thunderstorms.
The local currency is Hong Kong Dollar (HKD) and you exchange from most of the foreign currencies at the airport.
